Central Intelligence Agency

Washington, D.C. 20505

DDA R. 86-0736X

11 April 1986

Executive Director

NOTE FOR: DDA

Dick:

Do we really take this seriously enough to ask the Director to take action? What would you think about a letter to someone from him making your points instead of this memo?

STAT

DIS - I think point is valid. This is just too hard for DCI to handle in this form. Can we wait until we get the [redacted] report & then weigh in? OK

STAT

ADMIN - INTERNAL USE ONLY
